Where can I get information on school and district events?

You can access the USD 204 Academic Calendar under the 'Parent Info' tab on the website. The district also maintains an electronic events calendar that is updated throughout the year. You can access this by going to the USD 204 website (www.usd204.net) and clicking on the 'Calendar' icon on the front page.

The events calendar can be filtered down to specific buildings by selecting the 'Building/Calendars' tab on the right side of the page.
